

Fukuoka Fair in Delhi

Fukuoka Prefecture-NCT of Delhi Friendship Agreement Commemorative Event

CONTENTS

Kokura Gion Daiko Performance

The Kokura Gion Daiko Festival is one of the three great Gion festivals in Japan. The drummers play the Taiko drums, which are mounted on portable floats, while walking simultaneously. There will be live performances of the Taiko performance at the Fukuoka Fair. Please come and see the men in their costumes singing and playing vigorously on the drums!

Performance Schedule

October 18th
2:30pm
4:30pm

University Introduction Booth

Fukuoka is known for having a large concentration of universities in Japan and students from all over the world come to study here. The Fukuoka International Student Support Center opened this past July as part of a program to facilitate the studies of international students in Fukuoka. At the Fukuoka Fair there will be a presentation of the universities available for study.

Presentation Schedule

October 18th
3:00pm
5:00pm

Handicrafts Booth

Many handicrafts such as dolls and textiles are displayed here. They reflect the beauty and tradition of Fukuoka Prefecture as well as the impressive skills of the craftsmen who made them. High-quality handicrafts will be given away as presents via lottery drawing!

Samples of Japanese tea and sweets

Among all the green teas in Japan, the taste and aroma of Yame tea in Fukuoka Prefecture is considered first-class. Guests at the Fukuoka Fair can sample Yame tea as well as famous sweets from Fukuoka.

Industry Booth

Fukuoka Prefecture has created many policies to promote the development of next generation industries such as automobile, robot, and biotechnology production. Here, you can see a description of these policies that support the economy of Fukuoka. There will also be a robot show performance.

Tourism Booth

Along with its refined metropolitan atmosphere, Fukuoka Prefecture has many reminders of the good old days through its nature, history, and culture. The many charms of Fukuoka Prefecture are explained in panels and movies.
