Japanese Business Establishments in India - 2017

The Embassy of Japan and JETRO updated the List of Japanese Business Establishments in India, as of October 2017, with the cooperation of Japanese chambers of commerce and industries in India. The summary of the result is as follows:

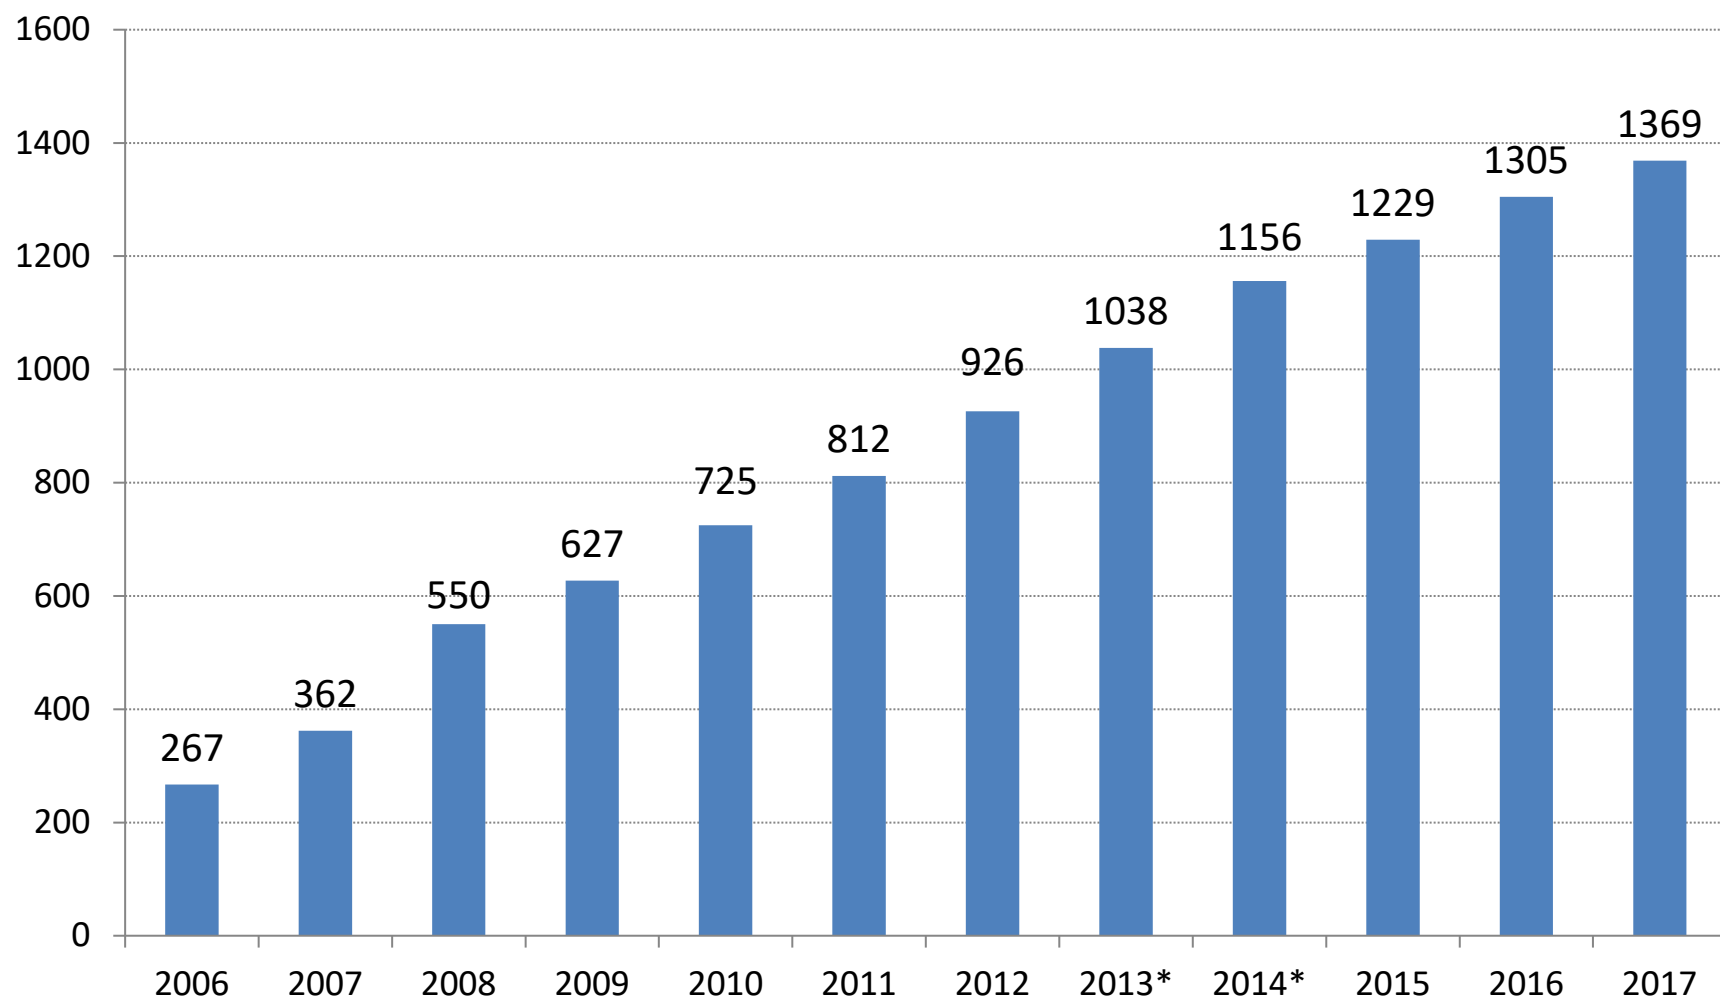

1. The total number of Japanese companies registered in India, as of October 2017, is 1,369.
2. The total number of Japanese business establishments in India, as of October 2017, is 4,838.
3. Over the last one year, the number of companies has increased by 64 (5% growth) as compared to 1,305, as of October 2016. Similarly, the number of establishments has increased by 248 (6% growth) as compared to 4,590, as of October 2016.
4. In Haryana and Maharashtra, the number of Japanese companies and establishments increased more than that in any other states in the survey 2017. Manufacturing sector accounts for the half of the Japanese companies and a third of the Japanese business establishments in India. Further, more and more Japanese companies have entered the service sector as a new trend. On the other hand, some companies downsized their business or turned non-Japanese due to restructuring and change of ownership.
